

# Experts in Self-Insurance

## More than 30 Years of Proven Success

Since 1978, POMCO has combined significant in-house professional resources with state-of-the-art technological resources

to offer municipalities, schools, hospitals and other businesses a suite of *fully integrated* employee benefit services – including medical/dental/vision/prescription drug benefits management, workers' compensation & disability claims management, and employee benefits statements.

***POMCO's a proven business solutions partner—not just a claims administrator!***

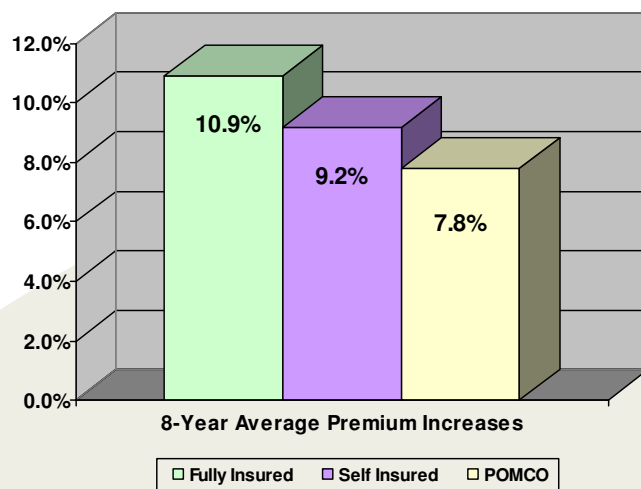

- In top 10% of professional benefits in the U.S.
- 400+ employees managing \$700 million+ in benefits
- More than 230 clients across the U.S. representing 450,000 covered lives
- National network of 700,000+ providers
- 8-year average premium equivalent increase of just 7.8%
- Average client tenure of more than 14 years
